Case No. _____ (____) (JMW)

**STIPULATION AND
[PROPOSED]ORDER FOR
PROTOCOL ON THE CONDUCT OF
REMOTE DEPOSITIONS**

Plaintiff(s)_____and Defendant(s)_____ (together, the “Parties”) jointly stipulate and request the Court order the following protocol for conducting depositions via remote means in this action, in light of the COVID-19 pandemic and consistent with Fed. R. Civ. P. 30(b)(4):

1. All depositions shall be conducted remotely using videoconference technology, and each deponent shall be video-recorded.
2. The Parties agree to use **[insert vendor name]** for court reporting, videoconferencing, and remote deposition services. The Parties agree that a **[insert vendor name]** employee may attend each remote deposition to video record the deposition, troubleshoot any technological issues that may arise, and administer the virtual breakout rooms.
3. The Parties agree that these video-recorded remote depositions may be used at a trial or hearing to the same extent that an in-person deposition may be used at a trial or hearing, and the Parties agree to not object to the use of these video recordings on the basis that the deposition was taken remotely. The Parties reserve all other objections to the use of any deposition testimony at trial.
4. The deponent, court reporter, interpreter if one is necessary, and counsel

for the Parties will each participate in the videoconference deposition remotely and separately. Each person attending the deposition shall be visible to all other participants, their statements shall be audible to all other participants, and they should each strive to ensure that their environment is free from noise and distractions.

5. Consistent with Local Rule 30.4, no counsel shall initiate a private conference, including through text message, electronic mail, or the chat feature in the videoconferencing system, with any deponent while a question is pending, except for the purpose of determining whether a privilege should be asserted.

6. During breaks in the deposition, the Parties may use the breakout room feature, which simulates a live breakout room through videoconference. Conversations in the breakout rooms shall not be recorded.

7. Remote depositions shall be recorded by stenographic means consistent with the requirements of Rule 30(b)(3), except that the court reporter will not be physically present with the witness whose deposition is being taken. The Parties agree not to challenge the validity of any oath administered by the court reporter, even if the court reporter is not a notary public in the state where the deponent resides.

8. The court reporter will stenographically record the testimony, and the court reporter's transcript shall constitute the official record. **[Insert vendor name]** will simultaneously videotape the deposition and preserve the video recording.

9. The court reporter may be provided a copy of the video recording of any videotaped deposition for the purposes of reviewing the video recording to improve the accuracy of any written transcript.

10. The Parties agree that the court reporter is an "Officer" as defined by Federal Rule of Civil Procedure 28(a)(2) and shall be permitted to administer the oath to the witness via the videoconference. The deponent will be required to provide government-issued

identification satisfactory to the court reporter, and this identification must be legible on the video record.

11. The Party that noticed the deposition shall be responsible for procuring a written transcript of the remote deposition.

12. The Party that noticed the deposition shall provide the court reporter with a copy of this Stipulation and [Proposed] Order at least twenty-four hours in advance of the deposition.

13. At the beginning of each deposition, consistent with Rule 30(b)(5)(A) of the Federal Rules of Civil Procedure, the person responsible for video-recording the deposition shall begin the deposition with an on-the-record statement that includes: (i) the officer's name and company affiliation; (ii) the date, time, and place of the deposition; (iii) the deponent's name; (iv) the officer's administration of the oath or affirmation; and (v) the identity of all persons present.

14. At the beginning of each segment of the deposition, consistent with Rule 30(b)(5)(B) of the Federal Rules of Civil Procedure, the person responsible for video-recording the deposition shall begin the segment of the remote deposition by reciting: (1) the officer's name and business address; (ii) the date, time and place of the deposition; and (iii) the deponent's name.

15. The Parties agree to work collaboratively and in good faith with the court reporting agency to assess each deponent's technological abilities and to troubleshoot any issues at least 48 hours in advance of the deposition so any necessary adjustments can be made. The Parties also agree to work collaboratively to address and troubleshoot technological (including audio or video) issues that arise during the deposition and make such provisions as are reasonable under the circumstances to address such issues. This provision shall not be interpreted to compel any Party to proceed with a deposition where the deponent cannot hear or understand the other participants or where the participants cannot hear or understand the deponent.

16. Every deponent shall endeavor to have technology sufficient to appear for a videotaped deposition (*e.g.*, a webcam and computer or telephone audio), and bandwidth sufficient to sustain the remote deposition. Counsel for each deponent shall consult with the deponent prior to the deposition to ensure the deponent has the required technology. If not, counsel for the deponent shall endeavor to supply the required technology prior to the deposition. In the case of third-party witnesses, counsel noticing the deposition shall supply any necessary technology that the deponent does not have.

17. The Parties agree that this Stipulation applies to remote depositions of non-parties under Rule 45 and shall work in a collaborative manner in attempting to schedule remote depositions of non-parties. The Party noticing any third-party deposition shall provide this Stipulation to counsel for any non-party under Rule 45 at a reasonable time before the date of the deposition.

18. The Parties agree that any of the following methods for administering exhibits, or any combination of such methods, may be employed during a remote deposition:

- (i) Counsel noticing the deposition may choose to send physical copies of documents that may be used during the deposition to the deponent, the deponent's counsel, the other Party's counsel, and the court reporter. In that event, noticing counsel shall so inform the deponent's counsel, the other Party's counsel, and the court reporter prior to mailing the documents and shall provide tracking information for the package. Such documents shall be delivered by 12:00 pm ET the business day before the deposition. Counsel for the deponent, the other Party's counsel, and the court reporter shall confirm receipt of the package by electronic mail to Counsel noticing the deposition. If physical copies are mailed, every recipient of a mailed package shall keep the package sealed until the deposition begins and shall only unseal the package

on the record, on video, and during the deposition when directed to do so by the counsel taking the deposition. This same procedure shall apply to any physical copies of documents any other counsel intends to use for examining the witness.

(ii) Counsel noticing the deposition may choose to send a compressed .zip file of the documents to be used during the deposition via electronic mail to the deponent, the deponent's counsel, the other Party's counsel, and the court reporter. The .zip file shall be delivered by 12:00 pm ET the business day before the deposition. Counsel for the deponent, the other Party's counsel, and the court reporter shall confirm receipt of the .zip file by electronic mail to Counsel noticing the deposition. The .zip file shall be password protected, and counsel taking the deposition shall supply the password via electronic email immediately prior to the commencement of the deposition. Every recipient of a .zip file shall not open the .zip file until the deposition begins and when directed to do so by the counsel taking the deposition. If sending documents by electronic mail, counsel will be mindful of file size limitations, which presumptively should be less than 50 MB.

(iii) Counsel may introduce exhibits electronically during the deposition, by using the Lexitas LegalView document-sharing technology, by using the screen-sharing technology within the videoconferencing platform, or by sending the exhibit to the deponent and all individuals on the record via electronic mail.

19. All deponents receiving documents before or during a deposition, pursuant to Paragraph 18(i) above, shall return the documents to the counsel who sent them originally, within two business days following the completion of the deposition, and shall not retain them in any manner. Counsel noticing the deposition shall include a pre-paid return shipping

label in any package of documents mailed to a deponent.

20. Counsel for the Parties may keep any document or exhibit used during the deposition, and shall return any documents not used during the deposition to the counsel who sent them originally, within two business days following the completion of the deposition, and shall not retain them in any manner.

21. Counsel noticing the deposition shall provide any counsel for third-party witnesses with a copy of the Parties' Stipulated Protective Order to the extent the parties entered into such an Order. Counsel for third-party witnesses may keep any document used during the deposition in accordance with the Stipulated Protective Order, and shall return any documents not used during the deposition to the Counsel who sent them originally, within two business days following the completion of the deposition, and shall not retain them in any manner.
