Re: Khalfan v. Marsel Mirror and Glass Products, Inc.  
Docket No. 95-Cv-1489 (ERK)

Dear Judge Korman:

I am writing to confirm our telephone conference of June 19, 1998 together with Philip Furgang, Esq., the former attorney for the defendant.

I represent the plaintiff.

As you instructed, by this letter, we are amending our application for a Default Judgment upon the grounds that defendant corporation has discharged its former attorney and refused to hire a new one.

Accordingly, we would respectfully request that you grant the default judgment that we applied for on or about April 29, 1998.

A copy of this Default Judgment, Declaration of Default Judgment, Affirmation, Exhibits, Proposed Certificate, Request to Enter Default, Notice of Application for Default Judgment, Proposed Default Judgment, Affidavit in Support of Default Judgment, and Affirmation are enclosed.

As you directed, we are sending a copy of this letter together with copies of the above-named papers to MMGP, Inc., c/o Spizz and Cooper at 114 Old Country Road, Mineola, NY 11501. This is the address indicated on defendant's correspondence with this court's mediator, Simeon H. Baum, Esq.

(24)

Your cooperation in granting this Default Judgment is greatly appreciated.

Sincerely,

*Paul E. Kerson*

The application for a default judgment is granted because defendant has failed to appear & defend by counsel and because a corporation can only appear by counsel and notice having been given to the defendant, the application for a default judgment is granted. The case is referred to the U.S. Magistrate for an request on the issue of damages.
