IN RE: ALL MATTERS ASSIGNED TO JUDGE
ROSLYNN R. MAUSKOPF INVOLVING THE
UNITED STATES ATTORNEY FOR THE
EASTERN DISTRICT OF NEW YORK

STANDING ORDER

-----X

MAUSKOPF, United States District Judge.

In connection with all matters involving the United States Attorney for the Eastern District of New York, both civil and criminal, assigned to me for any purpose, including pursuant to the Court's Miscellaneous Duty, the United States Attorney is hereby ORDERED to identify any and all recusal issues arising from my tenure as United States Attorney for the Eastern District of New York.

Specifically, immediately upon assignment to me of any such matter, the United States Attorney for the Eastern District of New York shall conduct whatever search or inquiry is necessary to determine whether, during my tenure as United States Attorney, I personally handled, approved, or supervised any aspect of the investigation, inquiry, case or prosecution giving rise to the matter assigned to me as a judge. For purposes of this Order, I supervised all matters, civil and criminal, pending or initiated in the United States Attorney's Office during my tenure as United States Attorney.

I served as the United States Attorney for the Eastern District of New York from September 3, 2002 through and including October 18, 2007.

Prior to any appearance before, or application made to, me in any such matter – or in any event, no later than ten (10) days from the assignment of any such matter to me – the United States Attorney shall submit a letter to Chambers certifying that the search or inquiry described herein was made, and indicating whether any such issues have been identified. The Court will promptly determine whether recusal is required, and will notify the parties accordingly. Should an Order of Recusal issue, the Clerk of Court will be directed to randomly re-assign the matter to another judge.

SO ORDERED.
