

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF NEW YORK

-----X

IN RE:  
CORONAVIRUS/COVID-19 PANDEMIC

**ADMINISTRATIVE ORDER  
NO. 2021-04-4**

-----X

SEVENTH AMENDMENT OF ADMINISTRATIVE  
ORDER 2020-26 AND FURTHER TEMPORARILY  
SUSPENDING SOME IN-PERSON PROCEEDINGS

-----X

The COVID-19 pandemic continues to impact the Eastern District of New York and the operations of this Court. Although vaccines are now widely available and significant portions of the populations in the counties comprising the District have received at least one dose of a vaccine, many people, including court employees, have not been vaccinated.<sup>1</sup> In addition, at the Metropolitan Detention Center in Brooklyn, where most of the District’s defendants are detained, the majority of inmates have not been vaccinated,<sup>2</sup> and operational restrictions, including quarantine and isolation of detainees, and limitations on the movement of detainees within the facility and to and from court, remain in place and continue to constrain the court’s ability to conduct in-person criminal proceedings. Therefore, continued vigilance with mitigation strategies remains important, as does continued monitoring of the effectiveness of the vaccines against current and future variants. After consultation with the Court’s epidemiologist and upon consideration of the foregoing circumstances, and balancing the need to assist in the preservation of public safety while effectively administering justice during a critical period in the COVID-19 pandemic, the Court finds it necessary and advisable to further extend all provisions of Administrative Order 2020-26, as amended.

<sup>1</sup> Although 70.7% of New York State’s eighteen years and older population has received the first dose of a vaccine, *see COVID-19 Vaccine Tracker*, Health.ny.gov, <https://covid19vaccine.health.ny.gov/covid-19-vaccine-tracker> (last visited June 21, 2021), percentages in some of the counties in the District are lower, *see id.* (showing vaccination rates for eighteen years and older population in Eastern District counties as follows: Kings, 60.6% and Richmond, 63.1%).

<sup>2</sup> *MDC Brooklyn*, Fed. Bureau of Prisons, <https://www.bop.gov/locations/institutions/bro/> (last visited June 21, 2021) (showing inmate population of 1,349); Report from the Bureau of Prisons Pursuant to Admin. Order 2020-14, at 2 & n.3 (June 15, 2021), <https://www.nyed.uscourts.gov/covid-19> (stating that 633 inmates (less than fifty percent) have been vaccinated as of June 15, 2021, not including inmates vaccinated at another institution or prior to incarceration).

IT IS HEREBY ORDERED that all provisions of Administrative Order 2020-26, as amended by Administrative Orders 2020-26-1, 2021-04, and 2021-04-1, shall remain in effect through July 31, 2021.<sup>3</sup>
